

Kart 2 Kart Racing Challenge!

Don't Miss the SAE Detroit Section Racing Event at Kart 2 Kart!

Guests will have the opportunity to test their racing skills on high performance racing karts while meeting and networking with fellow SAE members.

Kart 2 Kart's 1/5 mile race track includes a long 200-foot straightaway and six varying corners to give the thrill of high speeds and g-forces. The track itself is a textured concrete to aid in the amount of available grip which can bring up to 1.5 g's in the corners. Participants compete against up to 9 other racers and are timed with Kart 2 Kart's Club Speed timing. All races are computer monitored to provide detailed results that are broken down by lap.

Pizza will be served at 6:00 p.m. and races will start at 6:30 p.m. The cost to attend is \$35 for SAE members and \$45 for non-members, which includes two races and a third race for the top drivers, pizza and non-alcoholic beverages.
