

Student Engineer Day Wednesday, March 25, 2015

ENGINEERS NEEDED!

SAE Detroit Section's **annual Student Engineer Day will take place on Wednesday, March 25, 2015**. This is a great opportunity for student engineers to spend a day in the "real world" within the inner circles of the automotive industry. Although this annual event is a great experience for the student engineer, it can also be a meaningful occasion for the professional. This is an opportunity to meet future leaders, while providing a positive atmosphere that could lead to a future career in the automotive industry.

Compliments of the Lewis E. Fleuelling Student Fund, you and your student(s) are invited to attend the SAE Detroit Section Vehicle Event featuring the 2015 Jeep Renegade that evening at the San Marino Club in Troy. To reserve tickets, contact Roxanne Loeffler at (248) 324-4445 ext. 3 or rloeffler@sae-detroit.org by **Wednesday, March 11, 2015**. Seating is limited.

Please return the registration form to the SAE Detroit Section office by **Wednesday, March 11, 2015**. Confirmations of student/engineer placement will be e-mailed a week prior to the event.

Itinerary Recommendations:

- Start with a brief tour of your facility and introductions, including upper and senior management
- Provide a broad spectrum of technical exposure and include hands-on opportunities
- During lunch, include technical colleagues from non-scheduled areas when practical and/or representatives from interfacing disciplines (i.e. purchasing, accounting, marketing)
- Introduce as many aspects of your on-site technical activities as possible. Include activities involving components, test equipment, prototypes, design concepts, etc. whenever possible
- Take photos of the student's visit - a memento for you and the student
- Attend the 2015 Jeep Renegade Vehicle Event that evening
- A shorter day may be necessary due to prior commitments

If you have any questions, please contact Roxanne Loeffler at the SAE Detroit Section office at rloeffler@sae-detroit.org or (248) 324-4445 ext. 3.
