

FORMULA SAE®/ELECTRIC & FORMULA HYBRID WORKSHOP

Register early to receive discount

All SAE student chapters are invited to participate in this interactive workshop designed to provide valuable information to make your Formula SAE design team more successful. Students are encouraged to bring their Formula SAE vehicles to discuss challenges and share ideas with fellow student members.

The workshop will consist of a morning session with speakers covering various topics relating to the Formula SAE Competition, and a selection of breakout sessions will take place in the afternoon. Lunch will be provided.

Who Should Attend?

SAE Student Chapter members — targeting students from freshman through junior classes to assist future projects.

What Will Be Covered?

- Competition Overview
- Team Organization
- 2016 Rules Changes
- Business Logic Case
- Sponsorship Overview
- Design Considerations

October 31, 2015
