

# Cybersecurity Technical Meeting

**Wednesday, January 25**

5:30 - 8:30 p.m.

## Velocity

6633 Eighteen Mile Rd.  
Sterling Heights

Everywhere one goes it's almost impossible to avoid another mention of CyberHacking - compromised files, stolen data, and vehicles 'under siege'. To dig deeper, engineers have to do a lot of research or convince management to pay for a one or two day course or symposium.

SAE Detroit Section has lined up an excellent set of speakers for an evening Tech Session sponsored by *Security Innovation*. The meeting will be held at Velocity Hub, adjacent to Michigan's first 'Cyber Range'.

### Agenda

5:30 p.m. Social Hour  
6:15 p.m. Introduction  
6:20 p.m. Speakers  
8:00 p.m. Q&A

### Speakers

**Sal Bezos** - Director, Sterne Kessler, Goldstein & Fox  
*Cybersecurity - What about Legal Considerations?*

**David Connett** - Cybersecurity Process & Tools Technical Manager, Delphi

**Justin Montalbano** - Cybersecurity Lab Technical Manager, Delphi  
*How to Properly Prepare your Organization for a Hack*

**William Whyte** - Chief Scientist, Security Innovation  
*V2X Security - The NYC Connected Vehicle Project*

**Mark Zachos** - President, DG Technologies; CEO, Dearborn Group Inc.  
*Vehicle Diagnostics and Cyber Security*

*Speakers subject to change*
