

FORMULA SAE®/ELECTRIC & FORMULA HYBRID WORKSHOP

This workshop is designed to complement the Fall Workshop, and help Formula SAE® IC, FSAE Electric and Formula Hybrid teams with their vehicle development, and with the events at the competitions. All Formula teams are encouraged to bring their vehicles to discuss challenges and share ideas. The FSAE Electric teams are especially encouraged to bring their vehicles, and the paperwork that is required for Technical Inspection as these cars will be used in an afternoon break-out session on *Getting through Electrical Inspection*.

Who Should Attend

SAE Student Chapter members — targeting students from freshman through junior classes to assist future projects.

What Will Be Covered *(Topics Subject to Change)*

- Competition Overview
- Design, Cost & Presentation Events
