Essay Question (250-300 words) - Required for all applications

SAE International is the professional society for advancing the engineering of mobility systems in the aerospace, automotive and commercial vehicle industries. This includes all aspects of the design, manufacture, maintenance, safety, and operation of vehicles, devices, systems and infrastructure used on land or sea, in air or space. Part of the purpose of SAE scholarships is to encourage students to pursue a career in the field of vehicle mobility engineering. Explain your goals, plans, experiences and interests for your career. While having an interest in mobility engineering isn't required for many SAE scholarships, it will enhance your overall application.
