

# \$2,500 Scholarship for Children or Grandchildren of SAE Detroit Section Members

**Application Deadline Extended: April 19, 2018**

Two \$2,500 renewable scholarships will be awarded for up to four years. Established in 2001, this scholarship is to encourage children and grandchildren of current SAE Detroit Section members to pursue careers in engineering or science. SAE anticipates a need for more student candidates in these fields as a shortage of qualified STEM graduates is expected.

## Student Eligibility Requirements

- U.S. Resident
- Child or grandchild of a current SAE Detroit Section member
- High School graduating senior
- 3.0 or better grade point average on a 4.0 scale (required)
- Demonstrated financial need
- Enroll full time in a two- or four-year engineering or science program at an ABET accredited college or university

## Terms of Scholarship

- Two scholarships will be awarded each year for \$2,500 per year
- Scholarship may be renewed at \$2,500 a year for three additional years (total award \$10,000)

## How to Apply

- Fill out the online application at [www.sae-detroit.org/students/scholarship](http://www.sae-detroit.org/students/scholarship)
- If you are qualified, you will be prompted to continue the process and submit the following:
  - An official copy of your high school transcript with SAT/ACT scores
  - Free Application for Federal Student Aid (FAFSA form) and submit ONLY the official FAFSA output cover page (with EFC metric)
  - At least one letter of recommendation from an adult, non-family member (teacher, coach, pastor, etc.)
