HP 3D PRINTER DEMO CENTER TOUR

Novastar Solutions opened its HP 3D Printer Demo Center in Livonia in 2017 and has hosted hundreds of engineers, designers, and industry executives seeking to take advantage of the new age of Additive Manufacturing.

HP's vision is to move from rapid prototyping to final parts manufacturing with extreme dimensional quality, breakthrough productivity, and lowest cost per part with Multi Jet Fusion 3D technology.

Join us for a guided tour and a breakfast buffet while you:

- Examine hundreds of HP MJF 3D printed parts
- Have discussions with HP experts
- Learn 3D design freedom
- See Generative Design CAD
- Take home a 3D printed part

The tour is limited to SAE members and their guests.

Important Note: Registration will close June 18 (or when sold out). No onsite registration or refunds after June 15.
