STUDENT CHAPTER KICK OFF EVENT AT KART 2 KART

SAE Detroit Section student chapters are invited for a free evening of racing, speed networking, and pizza! Each student chapter can register up to 10 students to participate at no charge.

AGENDA

- 5:30 p.m. Registration
- 6:00 p.m. Pizza/Speed Networking
- 6:30 p.m. Racing

Kart 2 Kart's 1/5 mile race track includes a long 200-foot straightaway and six varying corners to give the thrill of high speeds and g-forces. The track itself is a textured concrete to aid in the amount of available grip which can bring up to 1.5 g's in the corners. Student chapters can compete against other chapters. All races are computer monitored to provide detailed results that are broken down by lap.

Important Note: *Must be 18 years or older to participate.*

To register or for questions, contact Roxanne Loeffler at roxanne.loeffler@sae-detroit.org or call (248) 324-4445 ext. 3.

Registration closes November 7
