

Saturday, February 15, 2020

8:00 a.m. - 4:00 p.m.

Lawrence Technological University

21000 West Ten Mile Road
Southfield, MI

Fees - Per Student

\$30 - Student Member

\$40 - Non-member

FORMULA SAE® WORKSHOP

This workshop is designed to complement the FSAE Student Fall Workshop, and help Formula SAE® teams with their vehicle development, and with the events at the competitions.

All Formula teams are encouraged to bring their vehicles to discuss challenges and share ideas. The FSAE Electric teams are especially encouraged to bring their vehicles, and the paperwork required for Technical Inspection as these cars will be used in an afternoon break-out session on *Getting through Mechanical & Electrical Technical Inspections*.

The workshop will consist of morning sessions covering various topics relating to the FSAE competitions, and a selection of breakout sessions will take place in the afternoon. Continental breakfast and lunch will be provided.

What Will Be Covered (Topics Subject to Change)

- Competition Overview
- Design, Cost & Presentation Events
- Getting through Mechanical & Electrical Technical Inspections

Important Note: Registration will close Wednesday, February 5 (or when sold out). No refunds after Friday, February 7.
