<h2 style="text-align:center;color:blue">CrowdPass Instructions</h2>

NOTE: Please complete this process before arriving to ensure a smooth check-in.

CrowdPass is a safe and secure vendor that SAE International is using to verify vaccination status of attendees and participants at in-person events. This vendor was selected to help ensure SAE events are as safe as possible for all in attendance. Your data will be destroyed 30 days after the event.

- Once registered for the vehicle event, you will need to provide proof of vaccination or a negative COVID test and upload it into CrowdPass. **Use this link to access the Health Screening Form**.
    - This process asks you to create an account with CrowdPass or login with Google to access the health screening form

- When registering and entering your vaccination information in CrowdPass, be sure to use your name exactly as it appears on your COVID-19 vaccination card. Use the same email address you used to register for the SAE WCX Conference

- You will receive an email reminding you to submit your proof of vaccination or upload a negative COVID test prior to coming on-site to the event. The email will be sent from support@crowdpass.co. If you do not receive it, check your spam or junk folder

- WCX CrowdPass Link:
  https://app.crowdpass.co/test/auth/signin?callbackUrl=app.crowdpass.co/auth/4592

- WCX CrowdPass QR Code:

- Once your upload is approved, an email will be sent from support@crowdpass.co with notification. The notification should be brought on site for verification and check-in process
