

**SAE** DETROIT SECTION

## Design for Peak Performance

Saturday, June 8, 2013

General Motors Milford Proving Grounds

SAE Detroit Section along with this year's host, General Motors, invites you to attend the 10th Annual Young Automotive Professionals Conference (YAPC). The event will include a Keynote Speaker from General Motors and a panel discussion and Q&A with prominent industry executives on the topic *Design for Peak Performance*. The afternoon highlight will be a Ride & Drive event featuring some of General Motors most exciting vehicles on various courses.

The conference is open to anyone 18 years and older (Ride & Drive requires valid driver's license) and is a great opportunity to network with young professionals in the automotive industry.
