

Kart 2 Kart Racing Challenge!

Don't Miss the SAE Detroit Section Racing Event at Kart 2 Kart!

Guests will have the opportunity to test their racing skills on high performance racing karts while meeting and networking with fellow SAE members.

Kart 2 Kart's 1/5 mile race track includes a long 200 foot straightaway and six varying corners to give the thrill of high speeds and g-forces. The track itself is a textured concrete to aid in the amount of available grip which can bring up to 1.5 G's in the corners. Participants compete against up to 11 other racers and are timed with Kart 2 Kart's Club Speed timing. All races are computer monitored to provide detailed results that are broken down by lap.

Pizza will be served at 6:00 p.m. and races will start at 6:30 p.m. The cost to attend is \$35 for SAE members and \$45 for non-members, which includes two races and a third race for the top drivers, pizza and non-alcoholic beverages.
